

Help Topics for Searching the Consumer Product Information Database (cpid)

A. Finding information about a brand.

- A-1. If you know the Brand Name
- A-2. If you know part of the brand name
- A-3. If you only know the first letter of the brand name
- A-4. If you know the type of product
- A-5. If you know the manufacturer's name
- A-6. If you only know part of the manufacturer's name
- A-7. If you only know the first letter of the manufacturer's name

B. Finding information about ingredients

- B-1. If you know the chemical name
- B-2. If you only know the first letter of the chemical name
- B-3. If you know the Chemical Abstract Service (CAS) registry number
- B-4. If you want to know which brands contain a specific (chemical) ingredient

C. Finding information about health effects of brands

- C-1. If you want to search by health effects

A. Finding information about a brand.

A-1. If you know the Brand Name.

Select "Brands" from the left navigation panel as shown ①. You will be taken to "Search by Brand Name" as shown ②. Enter brand name in space provided ③. Click on "GO."

For example, if you enter "Cascade" as the requested brand name, you will see the following results:

List of Brands starting with "cascade"

Cascade Automatic Dishwashing Liquigel
Cascade Automatic Dishwashing Liquigel-4/9/1998

Cascade Crystal Clear Plus Shine Shield Rinse Agent 8.45 fl oz
Cascade Crystal Clear Rinse Agent
Cascade Dishwasher Detergent
Cascade Plastic Booster
Cascade Plastic Booster, Plastic Cleaning Additive 6.8 oz Tube
Cascade Power Tabs
Cascade Pure Rinse and Complete Tablets
Cascade Pure Rinse Formula
Cascade Rinse Aid with Hydrogen Peroxide
Cascade with Sheeting Action

If you need information about “Cascade Dishwasher Detergent”, select this brand from the list and the results will be presented to you in the format shown below:

Cascade Dishwasher Detergent

Brand Information

Purpose: Home inside >> Detergent >> automatic dishwashing
Home inside >> Dishwash >> detergent, automatic
Home inside >> Automatic Dishwashing >> detergent

Form: granules

Customer Service No: 800-262-1637

Date Entered: June 1, 2001

Manufacturer Information

Manufacturer: Procter & Gamble Co.

Address: P.O. Box 599

City: Cincinnati

State: OH

Zip Code: 45201

Telephone Number: 513-983-1100

Toll Free Number: 800-543-7270

Date Verified: August 21, 1996

Ingredients

Chemical	CAS Number/Unique ID	Percentage
Water softeners (complex sodium phosphates/sodium carbonate)	999999-80-2	%

Cleaning agent(s)	999999-47-1	%
Surfactant(s) (unspecified)	000000-00-4	%
Bleach (unspecified)	999999-56-0	%
Sodium silicate	001344-09-8	%
Sudsing agent	999999-62-4	%
Colorant/Pigment/Dye(s)	999999-49-3	%
Fragrance(s)/perfume(s)	000000-00-1	%
Sodium sulfate anhydrous	015124-09-1	%

Upon selecting any ingredient above, you will be provided with information about that chemical.

Health Effects Information

Ingredients and Health Effects Information are taken from the manufacturer's product label and/or the Material Safety Data Sheet (MSDS). Products are not tested and manufacturer's information presented here is not evaluated by DeLima Associates.

MSDS Date: October 1, 2000

	Health	Flammability	Reactivity	Volatile Organic Compounds
HMIS RATING	1	0	0	(VOCs): gm/ltr.

ACUTE & CHRONIC HEALTH EFFECTS

Acute Health Effects: FROM MSDS

From MSDS:

Route(s) of Entry: Ingestion, eye contact, inhalation, skin contact.

Health Hazards (Acute and Chronic): Ingestion may cause moderate transient gastrointestinal irritation. Heavy or prolonged exposure to breathing dust may cause transient respiratory tract irritation. Prolonged skin contact with undiluted product may result in irritation.

Signs and Symptoms of Exposure: Ingestion may result in nausea, vomiting and/or diarrhea. Eye contact may cause stinging, tearing, itching, swelling and/or redness. Inhalation may cause coughing, sore throat, wheezing or transitory shortness of breath. Prolonged skin contact may result in redness, itching and irritation.

Medical Conditions Generally Aggravated by Exposure: Pre-existing dermatitis conditions may be aggravated by prolonged contact with the product.

Chronic Health Effects: From MSDS

MSDS: Heavy or prolonged exposure to breathing dust may cause transient respiratory tract irritation. Prolonged skin contact with undiluted product may result in irritation.

Carcinogenicity: From MSDS

The manufacturer's Material Safety Data Sheet (MSDS) does not address the subject of carcinogenicity.

FIRST AID

MSDS: Emergency and First Aid Procedures:

Ingestion: Drink a glassful of water or milk. If symptoms persist or recur seek medical attention. Eye Contact: Flush with water for 15 minutes. Inhalation: Leave dusty area. Skin Irritation: Flush area with water and apply cold compresses.

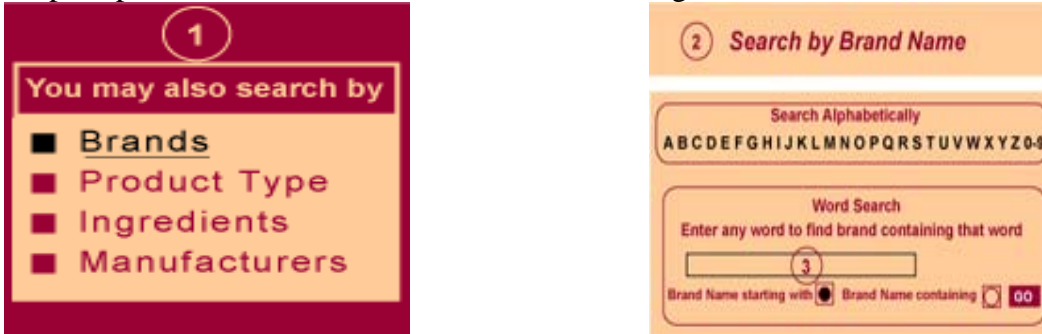

HANDLING & DISPOSAL

Handling: MSDS: Precautions to be Taken in Handling and Storing: No unusual precautions necessary. Avoid contact of cartons with moisture to avoid dispensing problems.

Disposal: MSDS: Waste Disposal Method: Disposal is to be performed in compliance with all regulations. Small or household quantities may be disposed of in refuse or sewer. Larger quantities may be disposed of in landfill where allowed by law.

A-2. If you know part of the Brand Name.

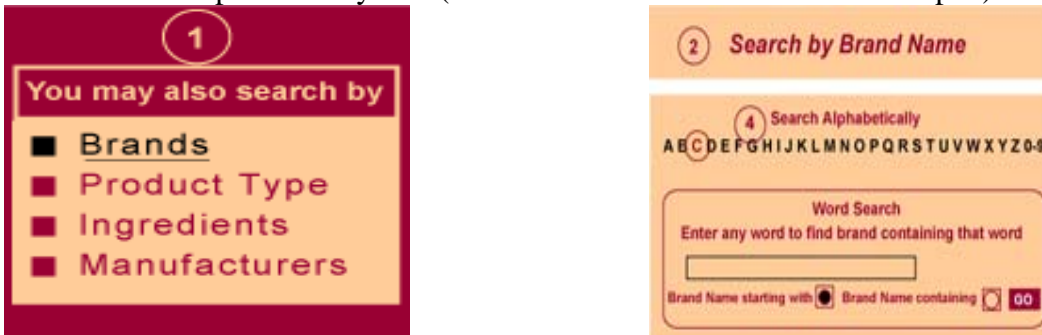

Select “Brands” from the left navigation panel as shown below ①. You will be taken to “Search by Brand Name” as shown ②. Enter any part of the brand name in space provided ③. Select “Brand Name containing” button and click on “GO.”

You will be presented with a list of Brands containing the letters entered into ③ above. Select the brand desired and follow instructions in A-1.

A-3. If you only know the first letter of the Brand Name.

Select “Brands” from the left navigation panel as shown below ①. You will be taken to “Search by Brand Name” as shown ②. Select first letter of brand name from “Search Alphabetically” ④. (The letter “C” is selected in this example.)

You will be presented with a list of Brands starting with the first letter of the brand name selected from ④ above. Select the brand desired and follow instructions in A-1.

A-4. If you know the Type of Product.

Select “Product Type” from the left navigation panel as shown below ⑤. You will be taken to “Search by Product Type” as shown below ⑥. Enter type of product in search box ⑦ (For example: “Detergent”). Select product category from drop-down box ⑧. There are 9 product categories to choose from:

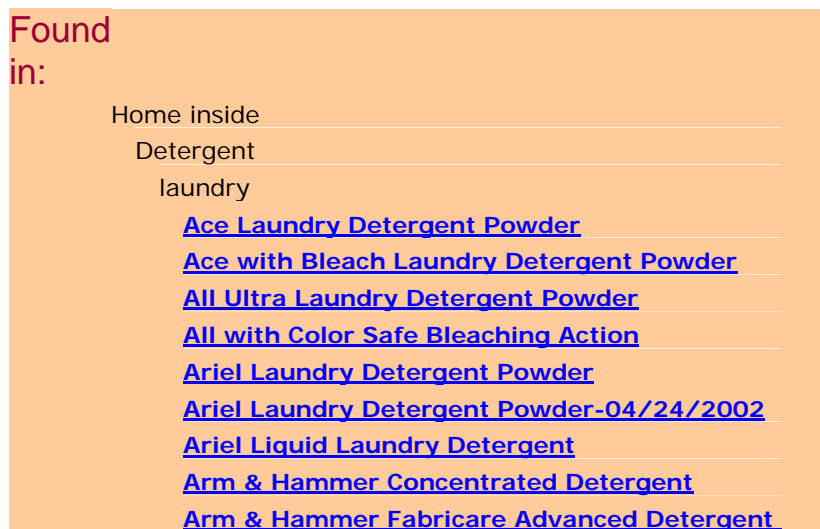

- Automotive
- Hobby/Craft
- Home Inside
- Home Maintenance
- Home Office
- Landscaping/Yard
- Personal Care/Use
- Pesticides

- Pet Care

“Home inside” has been selected in this example. The search results will show a list of brands found in the database by type of detergent. A partial list is shown below:

Search results for "detergent" product type in Home inside Category

If you need information about any detergent brand select the brand from this list and the results will be presented to you in the format shown in Section A-1.

A-5. If you know the Manufacturer’s Name.

Select “Manufacturers” from the left navigation panel as shown below ⑤. You will be taken to “Search Manufacturer” as shown below ⑥. Enter manufacturer’s name in space provided and click “GO.”

For example, if you enter “Eagle One” as the desired manufacturer, you will see the following results:

Search results for manufacturer - Eagle One Industries

Manufacturer:	Eagle One Industries
Address:	5927 Landau Court
City:	Carlsbad
State:	CA
Zip Code:	92008
Date Info Verified:	August 29, 1996

All brands by this manufacturer, “Eagle One Industries” are listed below:

All brands by this manufacturer

[Eagle One Wet Look Paste](#)

[Eagle One Aluminum Wash](#)

[Eagle One Mag Cleaner For Rough Cast Alloy Wheels](#)

[Nevr Dull Wadding Auto Polish](#)

[Eagle One Chrome and Wire Cleaner](#)

[Eagle One All Wheels Cleaner](#)

If you need information about any of the above brands, select the brand from this list and the results will be presented to you in the format shown in Section A-1.

A-6. If you only know part of the Manufacturer’s Name.

Select “Manufacturers” from the left navigation panel as shown below ⑨. You will be taken to “Search Manufacturer” as shown ⑩. Enter any part of the brand name in space provided. Select “Manufacturers names containing” button and click on “GO.”

You will be presented with a list of manufacturers containing the letters entered in the search box. Select the desired manufacturer and click on “All brands by this manufacturer” button. If you need information about any of the listed brands, select the brand from the list and the results will be presented to you in the format shown in Section A-1.

A-7. If you only know the first letter of the Manufacturer’s Name.

Select “Manufacturers” from the left navigation panel as shown below ⑨. You will be taken to “Search Manufacturer as shown ⑩. Select first letter of brand name from “Search Alphabetically”. (The letter “E” is selected in this example.)

You will be presented with a list of Manufacturers starting with the first letter of the manufacturer name selected from ⑩ above.

List of Manufacturers' names starting with "E"

[Eagle Black Industries](#)

[Eagle One Industries](#)

[Earth Care Products](#)

[Earth Friendly Products](#)

[Echo, Inc.](#)

[Eclectic Products, Inc.](#)

Select the desired manufacturer and click on “All brands by this manufacturer” button. If you need information about any of the listed brands, select the brand from the list and the results will be presented to you in the format shown in Section A-1.

B. Finding information about ingredients

B-1. If you know the Chemical Name.

Select “Ingredients” from the left navigation panel as shown ①. You will be taken to “Search Ingredients” as shown ②. Enter chemical name in space provided ③. Click on “GO.”

For example, if you enter “Acetone” as the requested chemical, you will see the following result

Search results for ingredients

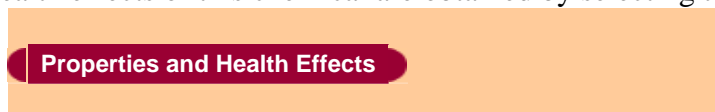

List of Chemical Names starting with "acetone"

[Acetone](#) [000067-64-1]

More information about the chemical is obtained by clicking on the chemical name. For example, by selecting “Acetone”, the following information is obtained:

Primary	
Chemical Name:	Acetone
CAS Registry Number:	000067-64-1
Synonyms:	2-Propanone; Acetone; Dimethyl ketone; Dimethylformaldehyde; Methyl ketone; Propanone

Properties and health effects of this chemical are obtained by selecting the button:

B-2. If you only know the first letter of the Chemical Name.

Select “Ingredients” from the left navigation panel as shown below ①. You will be taken to “Search Ingredients as shown ④. Select first letter of chemical name

from “Search Alphabetically” as show ④. (The letter “A” is selected in this example.)

You will be presented with a list of chemicals starting with the letter “A”.

[A-17 Propellant \(n-Butane@>95%/Isobutane@<5%\)](#)

[Abamectin](#)

[Abrasive \(unspecified\)](#)

[Acacia flowers](#)

[Acephate](#)

If you need information about any of the listed chemicals, select the chemical from the list and the results will be presented to you in the format shown in Section B-1.

B-3. If you know the Chemical Abstract Service (CAS) registry number.

Select “Ingredients” from the left navigation panel as shown ①. You will be taken to “Search Ingredients” as shown ⑥. Enter CAS registry number (in the format 000000-00-0) in space provided ⑦. Click on “GO.” For example, if CAS number “000067-64-1” is entered, the result shown is “Acetone.”

B-4. If you want to know which brands contain a specific (chemical) ingredient

Select “Ingredients” from the left navigation panel as shown ①. You will be taken to “Search Ingredients” as shown ⑥. Select first letter of chemical name from “Search alphabetically by name of chemical” or use “Word Search for chemical name” ⑦ or enter CAS registry number (in the format 000000-00-0) in space provided ⑧. Click on “GO.” The search results will show a list of chemicals. Select desired chemical from list.

Brands that contain this chemical will be displayed as shown below:

Other brands that contain this ingredient

Found in the following brands:

Automotive	Form	Percent
Gumout Professional Non Chlorinated Brake Parts Cleaner-09/06/2002	aerosol	50-70
Champion Sprayon Primers-Grey	aerosol	
Dupli Color Engine Paints	aerosol	24-33
Espree Tire Shine	aerosol	<5
Gumout Professional Non Chlorinated Brake Parts Cleaner	aerosol	50-75
Valvoline Carburetor And Choke Cleaner	liquid	10-15
